“ *You were a wonderful aunt who had a great sense of humor to keep us laughing. Thank you for the caring and considerate way that you always made sure everyone was okay and having a good time. I will never forget our trips to Virginia Beach where we went to the beach and then played games when we got back to your house and the times in Indiana just enjoying games and relaxing. I will miss you but I know I will see you again. Much love*

“ *You could always light up a room with your smile and laughter, and always saw the bright side of everything! I will miss the special way we would say "Helloooooooo!" to each other! Part of me is sad that you are gone, but it helps to know you are home and you are well. I am so thankful our paths crossed and blessed to have had you as my friend. I will not say goodbye, because I know we will see each other again. I love you Clara and I will never forget you <3*

“ *How can I say goodbye to an amazing woman, mother, and friend. I'll always treasure our time together and how you taught me to be a mom to twin boys. You were right there with me when I found out we were having twins. And then you saw me through the whole thing. I'll always love you for your wisdom and love. I know heaven is a better place cause you're there.*

“ *Clara was a very loving, friendly and caring woman. God used you in so many ways and will continue to use you even now. I will miss you in so many ways, but most of all I will miss our Bible Study's together and the fabulous hugs you gave! I am so happy to know I will be able to be with you in the Kingdom of God. You will forever be in my heart!*
