“ *Charlie, Doug , Jeff and Mike, I am so sorry to  
learn of your mom's passing I have been  
thinking for a few days on what I could say and  
there are just no words. My prayers are with  
you all . She was a wonderful woman and  
mother . The days growing up on Birk drive  
were wonderful and the memories from my Childhood there are  
wonderful . (Well,,,, except maybe Jeff when you told me there was  
no Santa and that God is a man !!! ) You probably don't remember  
that but I sure do !!  
Sheila brought back so many memories in her tribute and they  
made me smile . !  
We were all blessed to have such a great neighborhood and  
parents . Know that you all are in my prayers . The memories of  
your mom will live on in each and every one of us from Birk Drive.  
There's no place like home . Now your mom is truly home !

“ Charlie & Family,  
Ronnie & I are so sorry to hear of Clara Mae's passing. I remember her at Ben Franklin when I would bring Ronnie's mom, Leona, to shop for her quilts. She was so helpful. Charlie, Ronnie & I appreciated all the help you gave us with our taxes all those years, also. It was always enjoyable talking to you. Please know that you are all in our prayers.

Your cousins,

*I am so so sorry to hear this, Clara Mae was such a wonderful lady. I have such fond memories the Birk Drive neighborhood. Us kids that grew up their would probably say the same thing, Clare Mae was like a second Mom to all of us. Your house was the place to be whether it was playing basketball, playing shuffle board or roller skating on the driveway. I also agree with Sheila's post below, growing up on Birk Drive was the best place to grow up and unless you lived there you may not understand. every night something was going on. summers were the best. We all had multiple sets of parents. Hugs and prayers to you all.*

“ Schulte Famly, A shock! So sorry for the passing of Clara Mae. I hope she's relaxing in Heaven, after being my babysitter, many years ago. I'm sure I wore her out. Then we reconnected when Doug and Karen lived next door to our family. She was so sweet and a pleasure to know. Prayers & Sympathy, Sarah Berger Humphrey Muncie IN R.I.P. Clara Mae

“ Dear Charlie, Doug, Jeff, and Mike,

*I am so glad I was able to see both Clara Mae and Charlie in 2018, when mom had passed! Had I known in a few short years, Clara Mae would be gone, too, I may have visited a little longer!!*

*I know it's a tough time for you all right now, and it seems to be the end of an era. But like me, I am sure you all have very fond memories of that whole neighborhood! It lives in my heart, and I feel very blessed to have lived on Birk Drive and known you all!*

*I like to picture all those that have passed from the neighborhood still living near each other on the same block in heaven, maybe it's even named Birk Drive up there, too, who knows!! And Rod Brown, who I think has been gone the longest is sitting under an old "helicopter" tree waiting and greeting each of us as we arrive, with a lawn chair, and a fly (mosquito) swatter! And they all gather in the evening to sit under an old tree to wait for the rest of us to make our journeys back home! And somehow, while they wait, they can see into the past and see and hear all their kids playing bull dog or kick-the-tin-can or jailbreak, or catching lightning bugs!! Hopefully up there, we won't need the mosquito swatters, though!!*

*One memory, I still tell people today, and I think I even mentioned it to Clara Mae and Charlie on that last visit with them in 2018!!*

*Dad (Leon) worked at the Country Club years ago, and if I remember right, they had torn down the old Country Club or remodeled it or something, and dad brought home an old air conditioner the Country Club was going to pitch!! So after the usual evening, swatting mosquitos under Rod and Ginny's tree, Edna and Leon called it an EARLY night because they wanted to go home to enjoy that "cool air"!. Shortly after the lights went out, they were awakened by noises and muffled sounds!! Dad got up to discover the whole neighborhood sitting in the living room laughing and enjoying that air conditioner!! It was a hilarious prank back in a*

*much more innocent time when doors were never locked and you trusted your neighbors!*

*I think that story describes that neighborhood perfectly!! And I hope it warms your heart in this difficult time!*
