*Karen, Terri, Kurt & families,  
Your Mom & my Mom, Phyllis Lamkin were lifelong best friends & like sisters, from age 7. I really got to know your Mom when she & your Dad visited with my Mom in Somerset later in life. They always seemed to enjoy being together, whether recalling their youth or making new memories! I count it my privilege & blessing to have loved your Mom as my friend, too! I can still see her sweet smile that lit up the room! I know she will surely be missed by each of you & all who knew & loved her! You're all in my thoughts & prayers. Beth Lamkin Duncan*
