“ *So very sorry to learn of Cletus's death . Became friends with Cletus & Toots at the lake where we both had pontoon boats . We would spend nights fishing at the dock , and compare catches the next morning , afterwards we would hit Deb's Truck Stop for a big country breakfast .We so loved the times we were able to share . I know Cletus was lost after Evelyn passed away and he seemed ready to join her in the afterlife .Prayers to the family as they have lost a very remarkably humble gentleman .
