“ *Our deepest sympathy to the entire family. Growing up across the street, many lessons were learned from both of you parents. Many of those lessons still serve me well today, as I am sure you have benefited from throughout your lives as well. Also many great memories and adventures at the Stemle home that will be with us always. God bless you all!!*

“ *Please know I'm remembering all the family members in my prayers at this time of loss. You know, Janice, our mothers came from good ole' German stock - my mother was 98 when she died last year. With long lives like theirs, we surely need to celebrate the lives they lived even the difficulties in their last years. May you have many treasured memories for a long time to come..blessings, Sr. Judy*

“ *Janice & John, So sorry for your loss. Your Mom was a grand lady. I always enjoyed visiting with your Mom & Dad when I would pick up eggs. They were a true inspiration to what a marriage is all about. They always kept me updated on both of you. Hold on to the good memories and love you shared. Keeping you in my thoughts and prayers. “ *Sincere sympathy Janice & John. I have fond memories of your mom and your dad through their friendship with my parents the Kleins. Our dads were friends and coworkers at the Jasper Corporation. I used to get my pumpkins from your dad and was shocked when he knew who I was just by the sound of his voice. Your mom was a sweet lady. Thoughts are with you. Sincerely Marilyn & Jim*
