“ I loved my piano lessons with Cindy. I looked forward to them each week and now give lessons myself. I hope Cindy would be proud to know that music has always been a big part of my life. Paula (Fischer) Alles

“ I am so sorry for you guys loss. I really enjoyed Cindy and what little time I had shared with her. So my memory that I comes to mind was the Christmas she shared with all of us in Arkansas. I was afraid she was overwhelmed because there where so many people at the house that year and everyone was so loud. She was watching the game and laughing. It was a really good memory, and I am glad we all spent that Christmas together
