To a perfect angel on earth! She was only barrowed for a short time here on earth but made such an impact in so many lives. She was the most loving and caring person we have ever known. She loved a good joke and had the most angelic smile and laugh. We will miss grandma so much but rejoice in our hearts knowing she is back in heaven where she was sent to us from. God Bless You my Lord for letting us borrow this beautiful angel.

“ As a child I loved visiting the old place in Wickliffe. Petting that big pig "Arnold", I think that was his mane. Running around playing outside. Uncle Hershel with his cup of coffee working in the garage, Aunt Irene always wearing an apron busy doing something or other around the house. The best part was watching my Mother get to share time and visit with her sister. They are together again.

Shirley, Bob, Eva and John Wayne, May God Bless and be with you during this most difficult time.

*Sending you all our love from Arizona,
Marian, David and Izzetta Smith*
