“ Damian always talk to me about future and stuff he wanted to do once our semester was done at VuJC, we used to talked for hours planning and thinking how to spend our junior and senior year in college. I'm so sorry we couldn't finish or do everything we planned. I can be in peace with my self, because when I think about him I remember every good action and the good person that he was and did to everyone. I'm sure God will take care of him from now on, because he was an amazing man, excellent friend and son, he was too good that God decided that he was ready to become an angel. My most sincerely prayers to his family Josh and Karena thank you for raising and excellent person like Damian. You guys are amazing, and dont forget that Damian loved you and he wouldn't like to see his family sad please be strong.

“ There is nothing anybody can say that will take away your pain. I'm a stranger to you, but I was a friend of your boy's. I hope time will take away some of your pain, and, I don't know how religious you are, but I hope God is there to watch over you, as well as D. I am so sorry that this happened, & I hope you only have good thoughts of him.

“ Karena and family, I'm so sorry for your loss. I remember the 1st time i met you and your lil chubby toddler running around outside it was the fall of 1999, he didn't want to go in (it was getting cold). You got him inside and he ran to grandpa's lap in the kitchen to warm up. My prayers to u and the family.
