“ Met Dan at Vincennes University, we were pretty instant friends, bouncing Creative ideas for our projects for Radio and TV Classes. Even visited he and another friend in Jasper after graduating. Kept in touch over social media, going to miss him.

“ Might take him a minute to get there but if called to come on an adventure he'd be there. Sometimes without shoes, sometimes wearing his cowboy hat. Always ready for an adventure.

“ One of many memories uncle Dan gave,
When I was a little youngin, roaming around
out in the woods where they use to live with
my cousins, we caught a cute little snake to
put in the fish tank once brought back to the
house. Uncle Dan wanted to show us kids how he catches snakes..
It was the funniest thing to see how that snake had clasped on his
thumb, that poor snake had a sold grip for a little while but went
flying rather quickly.. 😂

Thanks for allowing me to get a good giggle outta that. If you were
here with me I can hear you say "oh gee thanks pook, glad
someone gets a kick outta it.

With a look of Let's go catch another"?!? □

R.I.P. 🙏 😊
