“ Danny was a very sweet guy.. several years ago I had shoulder surgery and couldn't maintain my yard. I actually called Susie to see if anyone in Dubois did yard work. She sent Danny .. he not only mowed our 1/4 acre but pruned trees cleaned flower beds and balled off all the mess after. My yard never looked so good.. I tried to pay him but he refused. That was the kind of man he was. Rest in Peacd Danny❤️ Gods peace to your family and all who love you❤️

“ He always had a smile on his face. The Kluesners were our neighbors. One day I was playing outside riding my bike and Danny had a deer hanging from the tree while curing. As a kid who had always lived in the city before, I had a lot of questions and he kindly explained it all to me. I think he thought my reaction was pretty entertaining! Prayers for Susie and family.
