“ Momma I Love you and miss you so much! A part of me left with you, but I am so thankful and at peace knowing that you no longer have any pain. I hope you're resting on a beautiful beach with your sweet babies Lily and Rollie. One day I'll be there to join you when the lord calls me home as he did you. Until then be good and I'll see you again❤️

So sorry to hear about Daphne! She was a joy to be around when she came in for treatments. I will hang her ornament she gave me for Christmas last year and think of her. Dalton, she spoke of you with a smile everytime, with so much love in her heart.
