“ So sorry to learn of Darla’s passing.

When both of our families were young, we spent some holidays together, good times. I remember a loving mother caring for her family and greatly enjoying the company and laughter of her children.

Condolences to Rachel, Thomas, Dan and entire family.

“ *I had the pleasure of knowing the younger version of Darla. A fun loving, free spirited, and a overall great person to be around. We shared many memories and good times. I regret not staying in touch. Heaven gained a good soul and a beautiful person.*

“ *Darla was a very charming person who guided the raising of her two children, who today are two exceptional young grown ups. The picture does not do her justice - for most her life she had movie star beauty, but her beauty started from within. She was a beautiful person first.*

She was my wife

She was the Mother of my children

She was the love of my life
