“ *Patty and family: My thoughts and prayers are with you especially now. Daryl was such a fine, gentle man. We knew each other through high school, and I treasure the friendship I had with him. Even though the passing years put distance between us, when we did see each other (and it was usually at the class reunions) it was like no time had passed at all. My husband Tom remembered a good conversation we had with you both at the last reunion. Aren't we going to value those special memories? Patty and Chris, I want you to know that Daryl was a very special person. But then you already know that. May you find comfort in the memories that you will hold in your hearts forever.
