“ *As I think back om my relationship with Dave, we did a lot of business through the years. He could be a tough negotiator, but he never took it personal and was always fair. But most of all I appreciate his friendship and wonderful memories. From duck hunting in an ice storm in Louisiana to rabbit hunting in Jasper. Homemade elderberry wine (always served up in an old plastic vodka bottle...no cups) to poker games at the log cabin which he always seem to win. Our prayers are with Barbara and the family. “ So saddened to see Dave has passed away. He had an attitude about life and facing adversity that I'll always consider a great lesson. I'll never forget the memories of the rabbit hunts and the family gatherings. And I'll always be grateful for his professional help at work. I've attached a photo of Dave and Dad with their catch from a day of fishing. It will always be one of my favorites. Rest in peace Dave. And many condolences to my aunt Barb and my cousins on your loss.

“ Will always think of Dave limping down that isle at work and up the dumpster he would climb. It was his way of knowing what was going on at work. And that he did. Latter we became friends thru hunting. Always had to sell him a Dave Berger special. Yes the poor guy always needed a discount on any beagles he got from me. I always laughed about it.

“ Barb and Family you have my sincere sympathy and prayers. Dave was a great guy and at one time our neighbor. I babysat for your children back in the 60's until you moved to Grassland Hills. My dad, Ed and brother in law, Charlie used to go rabbit hunting together and I'm sure they enjoyed some of dad's great homemade wine while hunting. My mom and dad thought so much of you and Dave.

I would love to see your family and see if I can place the name with each one but

with this COVID Virus getting worse I may not be able to come to the mass but please know that I will be thinking and praying for you all. Stay healthy and safe.
