“ Back after his brother passed away in 00 or 01 I started helping him get his sodas and cigarettes. I was 18 and lived in Clifford bears with him. When I first met him I was still in high school. He taught me about morals and being a true Christian man. It's catholics I met like Dave and others in Jasper that finally made me convert to catholicism. Have not seen him since 2014 when I visited Jasper and stayed at a motel and went to a support group. Dave if you hear me please intercede to Mary in heaven that I start making it to mass.
