“ *Judy and family, I was so shocked as was Mom to hear of David's passing. He was the glue that held the Kaiser family reunion's intact. I also recalled David as a young Air Forceman visiting us in STL in his uniform & demonstrated the height of professionalism in all that he did over the years. He certainly will be missed by all of our family. Mom said that she really appreciated the stories that David told in remembrance of Lorraine since Mom was not in Holland too often to build many memories of her twin sister. I remember the glow in David's eyes as he talked about his loving wife and children during each visit. We will all miss this very special man that God gave us. Love, Paulette and Lorretta Forbeck*

“ Judy - to you and your whole family, my deepest felt love and sorrow. I will always remember Dave as a gentle and loving soul who cared for me when I was in Jasper. Dave was an advocate for and friend, a powerful example of what Jesus asks us to be in the world. Your family still rings in my heart and mind as one of the most wonderful gifts I received in the church. Thank you and thank God for Dave. He always went out of his way to care for others, and the world is certainly a much better place because of the life he shared. What a wonderful man, loving father and husband... Please accept my prayers and thoughts... Light and Love to you all. Dennis Eastin

“ Dave was a wonderful man, neighbor, and friend. We only knew Dave for 3 short years, but it was a true pleasure to have known him. We certainly looked forward to our conversations at the fence, chancing down Chance, and receiving gardening advice - we certainly needed it! Dave surely will be missed, but we feel blessed to have known him. Judy, and the rest of your family, you are in our prayers.
