“ *Jeannie, Shad and Aimee, Shawna and Bill, and Brett, Brandon, Rachael, and Raya, We couldn't come this evening, as much as we wanted to, but we want you to know that our hearts are full of love for you and we are praying that each of you would be comforted in the Gospel of our Lord Jesus Christ and the hope of eternal life which Dave also lived and died believing. We will always remember Dave's wit and quick mind, but it is his faith in our Lord and Savior, Jesus Christ, that is the cause for us to rejoice, even in the midst of our sorrow that he is gone from us for a while. Brett, Brandon, Rachael, and Raya, be comforted by our Lord's words that when Jesus comes again, it is the dead in Christ that will rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. Therefore comfort one another with these words. 1 Thes. 4:16b-17. Your brother and sister in Christ, Sam and Sonnie*

“*Dave was a inspiration to me. He modeled how to Love family. I remember him telling me that he carried Shawna around on his back until she grew so much that he couldn't carry her no more and how he wished she hadn't grown up so fast. I never forgot that . I carried my girls the same way and even now they sometimes try to get a piggyback ride.I watched how he Loved people and especially his family. Telling them that he Loves them and expressing it through action. I carried that to my own family and though I never got to tell him I am forever grateful and blessed to have known Dave. He was a huge influence on me about how to Love family. Part of his legacy will always be with me because of how he imitated Christ in my life with the example he showed to me. My prayers are with you all and I will always Love you all.*”
