“ *Dear Doris and family, Although it has been many years since I have seen you , I very well remember David as a young man when you and he were dating. He was handsome and a very hard worker. Since I am 9 years younger than he was, I always looked up to him, he was the big kid. I am sorry he has left you and his loving family and I hope you will take solace in walking on the farm looking at the fields he worked and know he is looking down at you.
