“ *Dear Carol, Cindy, Sandy and George, I was so saddened to just hear that Debbie passed away. I send my very deepest sympathy to you and your families. Although our lives were on very different paths and we didn't have much contact as adults, she was my closest friend up to and through high school, and I have nothing but amazing memories of her. We shared many bonds, and it was a rare moment we were together that we weren't laughing. Please know that you're all in my thoughts and prayers, and I share in your loss. May she rest in peace.
