“ *I have known Dee for 20 years. We met when my husband & I went to Bob Evans and she was our server. And every time we went there Dee was there. After the restaurant closed, we would see her at Denny's. We started meeting many years ago for a coke at McDonald's and then at Denny's. We would meet every Monday to talk about our kids, our spouses, and everything else. But the best time was when we talked about Jesus. She would talk about loosing her momma, I always brought Jesus into the conversation to help her cope with loosing her momma. I will miss her so much. My heart is breaking but I know we will meet again. She might be gone, but she will never be forgotten. Love you Dee*
