What a guy was Denny Ofer. He always had such a positive attitude (even in his illness) and moments with him were so lighthearted. God has surely prepared a special home for him. We are praying for him and for you.

“ Words cannot express the deep sadness we are feeling. Den will always hold a huge place in our hearts. He gave us a true and authentic example of how we should live our lives. Live with joy and passion. Don't focus on what isn't, but rather, what is. We love you Dennis Ofer!

“ It was very heartbreaking to lose you. You were part of the family. Cancer is an awful disease, but without it...I would have never met you. Darlene, you are such a sweet soul and one tough cookie--- you would have to be to be married to the only man I know who owed a remote control woopie cushion!! Just for the record--I know I would have been the one to win the cruise ticket- haha. My heart goes out to you all. I love you so much- Charlotte Stephenson

“ *Darlene So Sorry to hear about your Denny.What a wonderful
man,he always lifted our spirits with plenty of laughs.The best
advice I received after Merrys death was and still is "TAKE ONE
DAY AT A TIME". Time does eventually help us cope with our loss.It
has been almost 4yrs for me but I can now look at pictures of
MERRY without having tears and remember so many wonderful
times and memories. I certainly will never forget every moment I
spent with Denny. My prayers and special thoughts will be with you
and your family.*

“ Linda, I'm am so sorry about the loss of your brother. Although it seems the family circle of youthful memories has been broken, the love that remains will keep him alive in your hearts. It's the physical loss of his presence that creates the grief. My prayers are with you and your family as you start this journey of saying good-bye.

“ Darlene, I am so very sorry for your loss. Denny was loved by so many of us. I am sure that I speak for everyone when I say that he will be missed tremendously and am sure there will be many days when we will be doing something at work and he will just pop into our heads...something he said or did that would have us rolling with laughter....I am sad he isn't here anymore but am happy that he is not struggling for his life. God be with you in this time of sorrow and always. Love and Hugs, Tammy
