“ I worked for Bucket for about 25 years. I learned a great deal from him .we became friends, not just an employer/ employee relationship. I can't possibly say enough about Bucket that would appropriately describe him and his accomplishments. So I will simply say REST IN PEACE my friend.

“ We are sorry to hear of Bucket's passing. Bucket's grandson, Spencer, is a member of the Noblesville Cub Scouts, Pack 116, Den 7. The boys from the den had the pleasure of spending a weekend at Bucket and Anne's farm a couple of years ago where they got to camp, fish, ride horses, etc. It was a great weekend and the den parents got a chance to hang out with Dustin, Anne and Bucket. We are all thankful to Anne and Bucket for welcoming us into their home and treating us like family. We still talk about that weekend and how much fun it was. Thank you for allowing us to be part of your family.

“ I spent a lot of very enjoyable time with Bucket when we played softball for Dubois County Tire. I don't think I've met anyone with as much energy and full of life. I'm sure he'll be sorely missed by his family and friends. Truly a good friend. Wayne and Lois Hobbs

Bucket was my neighbor growing up & we went to Holy Family School. His mom, Marie, used to bake the best bread and Kuchens!! We could smell them when getting off the bus, and loved running across the road to get fresh baked goodies!

Loved their family ...Bucket & Anne were the first couple married at the new Holy Family Church in 1979. Although we went our separate journeys in life, we didn't see them very much but knew he was a great community contributor! Our heartfelt condolences and sympathy to Anne and children & Grandchildren, Dorothy & Jim, and the Bonifer families!
