“ *What a shock to lose Denny, he was a very good and sincere person. I always looked forward to him coming into the store. He always made me feel like he really did appreciate the good job that we were doing. Think about him a lot, wish he could've stayed with his much much longer, but God has another plan for him. He will probably be standing at the gates with St. Peter to greet us all with that big smile and hand shake that he always had..along with his notebook.*

“ *Jennifer and family - so sad to read of your father's passing. He sounds like he was a great man with his priorities in order of family first. God is our refuge and strength; a very present help in trouble. (Ps. 46:1) Praying God's strength to help you to get thru this difficult time. Blessings, my dear. -Clance*

“ Denny was one of the best mentors I've ever known. I got to know the mellow, smart, caring, yet driven individual that he was. I feel fortunate to have been able to get to see that side of him. He believed in me when I didn't. He encouraged me when I was unsure. He made me feel like we could accomplish anything no matter how big the task. I have great respect for Denny and always will. During the past few months, I got to witness how he made every employee he saw, feel special and important He knew each by name and spoke to them as we walked through the stores. It was like I was with a celebrity. No one will ever fill those shoes. What a special man. Miss my friend.
