“ *We were Dolores and Jerry's neighbors for many years. We all have fondest memories of them. They were both so very kind to us. Jerry would always put my Son to work while Dolores, my Daughter and I would sit and talk. They would always take the time to ask us how our day went as they offered us to come inside or to sit by their beautiful garden. Now their souls are together once again. Prayers to the family for their loss. With deepest sympathy,
Ken&Lisa Nelson, David&Laura Merkley and Derek Neukam*

“ Dolores was a special woman. She became a role model for many of us, as she aged. Our family (Mary Ann & Jim Alles) grew up together. We spent several vacation trips together, as well as many hours playing at their house & yard. Fond memories!

Jerry & our dad Jim were best friends.

Wish I could be with you in Jasper at this time. However, with the polar vortex last week (from 50 degrees below to 50 degrees above a few days later), we have been struggling with ice & many snow days. I don't need to jump in my car & drive 7 hours to Jasper.

Please know that I am thinking of you all. It would be a great reunion to see you all again, as it's been many years. I wish you many fond memories of her life well lived.

Love,

Debby (Alles) Dunstone Kalamazoo MI

“ Many of us Sisters of Providence knew Dolores through her sister, Sister Bernice, SP.

I'm happy to be one of those SPs. I loved Dolores' smile, sparkling eyes and what seemed to me a wise take on life. My promise of prayer to all who love her.

“ Jerry was my Godfather and I always enjoyed visiting Delores and Jerry up the street on Newton Street from my grandparents (Anita and Louis Kuper). They were truly wonderful people and always generous with the time they spent with my family. From my interactions, Delores certainly had a wonderful impact on many people's lives over the years. I am sorry for the loss and your family will be in our thoughts and prayers.
