“ *"Aunt D" you will never know how much you impacted our lives. You were a blessing to us and to my mother, Ruthann Fraleigh. We are going to miss you so much. I will never forget the fun times we had. I will always think of you in the winter and the ice forms in K-Mart parking lot. Or the way you couldn't say smoked pork chops. You were always so much fun to be around and always brought a smile to our faces. I will never be able to eat another T-bone steak with out thinking of you. I know you were not a blood relative, but we couldn't have adopted a greater person than you into our family. You will always be OUR Aunt Dolores. May you rest in peace buttercup. We love you*
