“ *I will really miss Donnie. I'll always remember enjoying a game of baseball with Donnie in Grandpa's barnyard ... chasing down fly balls while stepping in cow pies, and helping Larry and Donnie gather eggs so we could go play some more. This was back in the late 50's and early 60's. I appreciated getting a chance to see what life was like on a farm. I will always hold wonderful childhood memories of Donnie and all his family close to my heart. God bless the Bair family at this difficult time. Love, Ron*

“ *Dear Patty and family, Please accept our most sincere sympathy in the passing of your husband and father. The class of '68 knew Donnie as a fun-loving guy. We enjoyed reconnecting with him at our class reunions, and Tom and I personally enjoyed his upbeat personality. I remember conversations with him and how proud he was to tell us about 'his kids.' May you find comfort in your memories and solace in His grace. Tom and Cheryl Fenton Seymour, IN*
