“ *Kim, I just wanted you to know how much I enjoyed meeting you and your beautiful children and grandchildren. You have my deepest sympathy at the loss of your father. I lost my dad 8 years ago and I can still cry at the drop of a hat; I just miss him so much. The first year is tough, but it does get better. And the comfort of knowing we have a loving and caring God who gets to see them everyday is worth everything. Take care and yes, it is normal to cry everyday!*

“ Rest in Peace Uncle Don, you were always like my second Dad....I'll miss you forever, but I will always remember the times you listened and understood and never judged. I'll also remember all the times you made me laugh.
