“ *Please know you are in my thoughts and prayers. While unable to attend, I will be thinking of you all. Lots of good hunting stories with your dad and mine and many little league baseball games. Good times, fun times, and precious memories of the bright side of life. Another good man gone but we are all better for knowing him. I am and will be thinking of you all.*

“ I always loved the spark he had in his trademark Hall blue eyes. It was brightest when he was near his family. His love for you all was obvious. He knew he had been blessed with an amazing family and was so proud of how he raised them. The stories he'd tell about his brothers and sisters growing up on the farm always brought a laugh to his lips as well as to those of anyone listening. He is a man whose Heavenly reward is well-deserved.
