“ *I was fortunate to be able to take care of Don as a CNA at The Timbers. His bright smile, quick wit, and bubbly personality will truly be missed. My Daughter, who volunteered in Activities a few summers ago, also got close to him helping him with his crafts. She looked at him as another Grandpa. You are all in my thoughts, he was a great Man.*

“ Don was a very good friend and he was also a very caring and compassionate person. I was so happy when he found Janice, they were made for each other...I miss him but know he is in a better place and not in pain and I will see him again some day.....

My grandfather (aka peepaw) was the most caring loving person i've met, he would always say hello to every person who walked by, and always made sure everyone was okay, he has been my rock since i was a baby. He was always there for me and my mom... I'll always remember the amazing memories we made. From playing bingo in the lunch room at the nursing home, playing trash in the crafts room and going to holiday world. Rest in peace beautiful soul
