“ I want to thank everyone for their prayers and condolences. My sisters and our family greatly appreciate it. I love hearing and knowing how great of a man my dad was to everyone in his life and how happy he made everyone. He will forever be missed and loved. If I only had five minutes, the night you passed away, I'd give you one last hug so tight and see your great big smile. I'd tell you that I don't think I could live without you, not even for awhile. I'd kiss your cheek and take your hand and tell you it's okay to go. Id tell you that I'll miss you, more than you'll ever know.

“ I am so saddened by the loss of Donny. I also worked with him at ABC for several years. He would walk in with loud and cheerful "howdy" every morning. I truly apreciated our friendship. Donny was one of the good guys! He will be missed.
