“ My sincere condolences to family and friends for your loss. I witnessed Don's service to teachers as a teacher, myself. But it wasn't until I became a principal that I witnessed firsthand Don's fairness and support of our profession. He proved to me that he was a truly honorable man, and always with a sense of humor and a twinkle in his eye.
Rest well and glory in your reward.

For we can rejoice in the knowledge that being absent from the body is to be present with the Lord. Our reward is to live with Christ for all eternity. Take comfort fellow believers that Don is with our Lord and Savior Jesus Christ. Look up and smile and praise God almighty.
