“ *I was privileged to know Donna through her work at OFS, and always remember a bright voice and cheerful attitude, no matter the day. In the few times I was able to personally meet her, I realized that this was her true being, as well. In life Donna passed on her love to her family and friends and I know she is now at peace, knowing the love that was returned to her!*

“ Donna, you have been so brave. Seeing you every day, we would not know what you were enduring if you had not shared with us. The last time I saw you was Thursday, just 5 days before you passed - and we were laughing. I know you are in a better place but you will be missed.
