“ Our deepest sympathy to Donna's family and all who loved her. My dad, Hilbert Fromme is a resident at St. Charles. We will miss seeing Donna and her devoted husband there whenever we are allowed back in. May she rest in peace and let perpetual light shine upon her face.

“ I loved working with this beautiful lady. And watching her crochet. She could carry on a conversation, eat a snack, and not even look at what she was crocheting. And never miss a stitch! Her life may have been a challenge in her later years, but I think she was one of the luckiest ladies I know...to be loved so completely by Eddie and her kids! So so sorry for the loss of a great lady.

So sorry for your loss. I loved her smile and her laugh. I hadn't seen her in a long time but I enjoyed talking with her in my younger years.
