“ *Donna was a really cool mother in law. I remember going on walks with her back in Chesterton, Indiana even before I married her daughter Debbie. Well I have been married to Debbie now for 31 years and have never regretted a moment of it, so thanks Donna for allowing me to marry your daughter! Donna was a great cook, especially Italian, she has passed that down to her daughters as they are both now great cooks. She also was known for being clean and tidy, her homes and clothes were always the cleanest.*

I miss her a bunch already, God bless you 'squiter', my favorite Mother in Law
