“ *I am so, so sad about Donna's passing. She was such a gentle and sweet person. She was a member of the Ireland High School class of 1967. When the Ireland Girls would have a gathering, she never missed one. We all loved being together. One of my fun memories, was one of our first gatherings. We all talked and talked, as we really missed each other. It was quite late, and husbands were calling to see if we were OK. Then the girls were still talking all the way to their cars. Tears here, but glad we had the connection. Prayers for your family.*

“ *Ronnie and family,
Please accept our deepest, heartfelt sympathy. Words are so inadequate at a time like this. It was such a shock to hear about Donna's unexpected passing and still so hard to believe that she is gone. You have been such wonderful friends for so many years and we will always cherish all of the memories, especially the poker nights. Oh, the laughs we enjoyed! Her memory will forever live on in our hearts. Just know that your loss is shared by those who care and understand. May the comfort of friends and family be your strength now and in the days ahead.
