“ I have many fond childhood memories of Cousin Sis and of all our Jasper family from summer vacations spent at her home. My family (we are in Maryland) still plays the card game Blitz and I think of her each time we play, sometimes a few times per week. My condolences to family and friends. You will be missed, Sis.

“ We will always think of Dorothy when we look outside as "her flowers" grow. We have different plants from her former house where she worked so diligently with so many types of flowers. We send condolences, thoughts and prayers as we treasure the beauty of her gardening skills.
