“ *Ilene is my favorite Aunt, she was always ready to cook a meal, or just visit when we came down. I remember when they lived at Washington at the park and we caught all of the Catfish at lake and we had a fish fry. will miss her .*

“ *Such a good and sweet friend .. so many flower starts and bulbs she shared with me and always happy and smiling. I remember well visiting with her and Francis and just the love they shared by the look in their eyes at each other never needed any words .. so special.*

She loved her sons and grandchildren as they did her and I know how much they all loved her and her stories of her childhood, teens and young mother / wife. Will sure miss her Christmas cards as she never failed to send my family a card each Christmas since 1971. Thank you Ilene for your friendship not only to me but also to my Mom. RIP.
