“ *Aunt Dorothy was one of the best people I knew. She was a dear sweet lady and a very special part of my life. Always loved to talk about things and family. She really loved going to Wal-Mart and so when we would see her there she would always take the time to stop and chat. I will miss those chats. She also loved my daughter unconditionally. She loved seeing my daughter grow up. I will miss that too. There are so many things I could say about Aunt Dorothy. She also loved playing cards with my grandma Dolores and she loved getting together with family. Rest in Peace Aunt Dorothy! You will be forever missed. You are one terrific person! No One will be able to take your place!*
