“ Betty, I was sorry to hear of Earl passing and I know it is heart-breaking for you and the rest of the family, but you will always have the memories and they are with you forever. I know you really don't get over it, you just try to get through it all. One of my precious memories of Earl is the summer of 1948, when he and I traveled to Owensboro, KY for a 3 day baseball camp. We really had a great time and I will always remember those years I played baseball with Earl in High School. God Bless you and the family.
