“ *Your mother was one of the sweetest, kind, beautiful ladies I have ever know. I remember back in our Cuzco days , going to basketball games and all the over nights. We all had some great times . I'm so sorry for your loss and she will be missed. So sorry I couldn't come to the funeral. I love you all.*

“ *Edith was an amazing lady and the best neighbor anyone could ask for. She was so proud of all of her children and grandchildren. She enjoyed the little ones and they brought smiles on her face even in her last days. My husband, and our entire family were so blessed to have known her and enjoy time with her. It was always a privilege to do anything for Edith and she was so appreciative. She was always there for us too. When our children were young they loved getting off the bus at her house. We loved her like our own mother.*

“ *To all of the Hall children. Diane and I both share in the loss of your mother. She was a great lady and friend. We know as well as you what a go getter she was. There was nothing going to stand in her way. I do Mean NOTHING. She was determined to be the best mother she could be to all of her children, and she was always giving advice on what was right. I talked with her many times about her children. Just thank God you had her for your mother. Love all of you guys.*
