“ When I was a young girl, every time mother took me to see Mrs. Clark for alterations, I felt like a princess showing her my dress that needed to be taken in. Then she made me feel like a queen when I put it on when she was finished. It wasn't just her sewing skills, it was her heart. Thank you, Mrs. Clark!

*Being greeted by Corrine at Dr. Bies' office made going to the dentist easier. She was a wonderful receptionist at dad's office; she made the office run well for the patients and the staff. Always professional and always a warm, genuine 'person-to-person' connection with everyone. She touched many people in her long life with her care, compassion and faith. Jane Gootee Nelson*
