“ My thoughts and prayers to all the family especially Leroy, Marge and Joe. I have happy memories when we would drive up the big hill to the family home and visit. Ed was a talker and people loved to be around him. He will be missed. I image he will be telling stories to the other cousins and Dan who are up there.

“ *My heartfelt sympathy to all the family. Thinking of Ed brings back many memories of family reunions, being on the farm, class reunions. My husband Ed Teder was a neighbor growing up, and a classmate at the Bender School and Dubois High School. For many years every time we made the trip to Jasper, it included a class reunion of all the members until the last few years when some were called to their heavenly reunion. Ed and all of you are in my thoughts and prayers.*

“ *Our condolences to the Family. My mother (Marie Teder Kuper) always enjoyed the friendship of all of your siblings, and shared many fun stories throughout the years. The Bender School ones were her favorites!*
