“ So very sorry to hear of your mother’s passing. I was fortunate to work with your mother at St. Vincent DePaul where we became friends. We had some good times together. We called each other on the phone at times and would talk for a long time. She loved you and your family. I will miss her and her conversations. RIP Eileen.

“ Oh Scott and family. I am so sorry to hear the news of your mom. She was a great neighbor and friend. I remember when the Haller family moved out of your house on Birk Drive and I just knew the neighborhood would never be the same. Then you all came along and fit in like you had been there forever. We were so blessed to have Larry, Eileen and yourself as part of...lets face it THE GREATEST NEIGHBORHOOD EVER!!!! I can still hear Eileen's beautiful laugh. Know you are in our thoughts and prayers. “ So sorry Scott and family to hear about your mom's passing. Mom and I would go almost every Sunday to eat at Fazoli's we would have such a good time! Also I remember going over to your house when I was real young and your mom would get her record player out and she would play records for us. A couple of the songs I remember well were Last Kiss. And the Poor Side of Town. your mom was a sweetie for sure! She will be missed Sandy Wigand Braunecker

“ I am sending my thoughts and prayers to you Scott and your family , at the passing of your mother, She was a sweet lady. The memories of all of us and our parents while living on Birk drive are always great memories. . Those were the "good ol days" and we were fortunate to have a great neighborhood and all the good memories we all have of each other !. I remember "sleep walking to your house " and your mom just played the good mom and got me a bowl of cereal and waited for my parents to get up. Then she called mom and sent me back home - even tho it was in the snow with one boot on ! Apparently I never woke up , and didn't even know I was cold ! - But i Wasn't hungry !!
