“ We are so saddened to hear of the passing of such a great woman, aunt and friend. Aunt Elfreida greeted everyone as family; she and Uncle Leon welcomed all to their home as family. She amazed me at how well she cared for her large family and always had a smile on her face. We cherish all the memories we have of her and Uncle Leon. Love and hugs to all.

“ Dear Family,

We are deeply saddened by the passing of Aunt Elfrieda. She was not only a great and loving aunt, but she was a genuine and wonderful friend. While our visits and chats - filled with many stories and much laughter - were always too short, they provide cherished memories. She was simply a great lady and a great person. She will be sadly missed by our family.

Love,

“ To Elfrieda's family- I just loved your Mom and Dad. They were dear friends of Birch Bayh, and, while on the Bayh staff, I had the pleasure of working with both of them. They were a wonderful team who accomplished so many campaign endeavors despite their own busy schedules. Their kindness and generosity of spirit were an inspiration to us all. It was impossible to think of one without the other, and we all loved any opportunity to interact with them.

The Senator once said to me that one of the best things about politics was the people he got to know that he would not have met otherwise, "people like Elfrieda and Leon Fleck". We all felt the same way about them. Please know that we share your grief, and treasure the memories. Our prayers are with you at this difficult time.
