“ One consolation is she is with her loving husband and family members gone before but she will be in a place where she will be watching and helping her family from sitting and talking personally to our Lord Jesus Christ. Love and prayers for all who know and love her.

“ I am very sorry for your loss. Aunt Betty definitely loved quilting! My best memory of Great Aunt Betty is when she would gather at my Grandma Delores and Grandpa Ivo Schuler's house all the time for big quilting bees with the other members or women in the family. That same group also would gather for card games. They would always talk about family. The other memories I had are of the family reunions and Uncle Tom. So many reunions and all the women cooking. Please know that your family are in my thoughts and prayers! Sincerely Victoria Seng Runyon (Karen Schuler Seng's oldest daughter)
