“ *I was so sorry to hear of Elsie's passing. She was a great lady. I have not seen her for many years but remember playing with Brenda, Donna & Doug when our parents would get together. Please know that you all will be in my thoughts.*

“ *Paula and family, We just wanted to let you know how sorry we were to hear about the death of your dear Mother Elsie. I know how much she meant to you; it was obvious to me that she succeeded in creating a warm and loving home and family environment, which you have emulated. I noticed this whenever I would hear you speak of siblings and how close you are with them. I pray that they and you will find comfort in each other and this season of faith and renewal. May God bless and comfort you and your family at this time. With warmest regards*
