“ *Hi. My sincere condolences on the passing of Eric. I'm all but certain that I was stationed with Eric in Japan (c. 1965). If this is the "same" Eric, and his picture bears a strong resemblance to whom I remember from so many years ago, I really wish I would have located him some time ago. If you could confirm weather or not he had a tour in Japan, I would appreciate it. I have fond memories or my time there. Again, my sincere condolences.*
