“ *Jeff, I am sorry to hear about your loss. You and your children are in my thoughts and prayers.*

“ *Jeff,*
My deepest sympathy goes out to you and your boys. I have developed much respect for you over the past few years. I hope our online chats and short visits while I am home never stop. You have one of the biggest loving hearts that a man could have. God put you and Erika together because he knew you had a heart of gold and could handle him taking your princess away to fulfill his desires. I would give anything to be able to be there this week to celebrate Erika's wonderful life with you. Unfortunately this deployment will not allow me to do so. I am always available to chat with you anytime you need to talk. You and the boys are welcome at my house in Florida anytime you need to get away. I will be home from deployment at the end of June. Take care of yourself this week, you deserve it. Keep being an excellent role model for your boys so they can grow up and have a heart of gold like yourself.
Sending much love, from Cuba.
