“ I know Erin would be devastated to leave his daughter behind at such an early age, but the love he had for her will last a lifetime. I hope she grows old knowing her Daddy loved her more than life itself. R.I.P Erin

“ To Elena and all family and friends of Erin, Erin and I go back to the entry of Elena into this world. When my wife and I purchased a car recently at H&H we were pleased to cross paths with Erin. He proudly informed my wife how he knew me and the special song that he requested and was played when Elena was born. It is a delivery I will never forget due to his warm and gracious personality. When the car needed some computer adjustments after the sale, Erin went out of his way to fix the issue. It was not easy to fix but he did and was so nice about it. My son is also a "car guy" and Erin offered to help him with the computer if he ever needed help. He was so sincere, happy and helpful. He very proudly told us how Elena was doing. He lit up when he talked about her. With his family and friends, we will miss his kind and contagious spirit. With sympathy and prayers, (Dr) Steve and Dana Hopf

Dr Hopf, thank you for the kind words. I will share them with Elena. I still have the CD from the delivery in her memory box with the crazy song. Thank you for helping us bring her into this world. Forever grateful for you. Best, Carrie
