“ Gene Gudorf was a man that was easy to admire. One could only wonder what it was like to have such a large close knit family. You always knew where Gene stood on an issue from gun control to higher taxes and all issues in between. You knew what side he was on. This was very refreshing in today,s society of polical correctness. And yes we agreed on all national issues. I will miss our talks together in his small office. He was a good man. God will gladly welcome him home.

“ Our condolences Irma and family in the loss of Gene. Cherish all the wonderful memories of him as we will always remember his warm smile everytime we greeted each other at Mass. Irma, this is where we met you and Gene the first time many years ago. We especially enjoyed your 50th wedding anniversary where we got to meet the rest of your family. What a great time that was! He will be missed by many. Prayers to all of you. RIP Gene

“ I am sure that he left this world proud of his family. I will never forget when I was young and my parents attended Holy Family Church: I would see your parents come into church with all you little ones. It was quite impressive. Have faith that he is in God's hands and still watching over you.
